FluidPRO Oilfield Services Ltd.

Expert Fluid Handling Solutions – Professional. Reliable. Outstanding.

www.fluidpro.ca

FluidPRO Oilfield Services Ltd. is a trusted oilfield service provider committed to safe, efficient, and innovative solutions for the energy sector.

Since our inception in 2010, we have grown from a single truck to an extensive fleet serving Alberta, British Columbia, and North Dakota.

With 170+ employees, 110+ trucks, and over 250 pieces of specialized equipment, we deliver excellence 24/7.

Core Values

- Safety First – Every task, every time.
- Efficiency – Timely, cost-effective service without compromising quality.

- Integrity – Honest, dependable operations.
- Innovation – Leveraging the latest technology to optimize performance.
